

Community Health Worker (CHW)

The CHW works to improve the quality of services and serves the needs of the residents of Cedar, Dixon, Thurston and Wayne County. This position is a full-time position offering 40 flexible hours per week. Some hours will be scheduled on events planned during evening hours and weekends. The role as a CHW requires a passion to help others, strategic planning, and creativity. The excellent benefit package includes:

- Medical, Dental and Vision Benefits
- Paid vacation and sick time
- Generous Retirement Match
- Opportunities for Professional Growth
- Salary Based on Experience
